

Barns Courtney, You And I

suitcase n your hand
wave goodbye to mom and dad
never thought I would see the back of you

mixtapes wearing down
crystal ships are sailing out
now the doors are opening for you

i wanna swim deep into the dark night
i wanna melt you down into the rivers
i wanna crumble tumble like a landslide
i wanna live, die, whatever you are

just you and I
just you and I
just you and I
just you and I
just you and I
