

Barrio Boyzz, I Wish

How Can I
Just Let You Slip Away From Me.
My Friends Say
That It's A Damn, Damn Shame
And How Can I
Live Another Livetime, No
I Don't Know, I Don't Know
But I'll Try.
For Years We've Been Faced
With All Kinds Of Pressures
But You Still Don't Know
Just How I Feel
Now That You're Gone
I'm So Alone
[Chorus:]
Oh, I Wish I Had
Chance To Say I Love You
But Something Went Wrong Here
You Were Not Supposed To Leave Me.
In My Live
I Wish That You Were
Here With Me
But Something Went Wrong Here
This Is Just In Case You Hear Me.

How I Can
Forgive Myself When
All This Time
I've Been So Blind (Since...)
And How I Can
Live In Such A Cold, Cold World
Without Ya By My Side
Sometimes It Feels Like I Wanna Die
All Cuz' You Were My Strength
And All Of My Comfort
But You Still Don't Know
Just How I Feel
Now That You're Gone
I'm So Alone
[Chorus]
Do You Hear Me?
I Wanna Know, Wanna Know
Cuz' I'm So Alone, So Alone.
