

# Barry Manilow, Don't Fall In Love With Me

She was just a girl who knew the way  
I was so naive  
Everything she ever said to me  
I wanted to believe  
I was close to too far gone  
When she sat me down and  
Told me tenderly

[Chorus:]

Don't fall in love with me  
I'll only break your heart  
For us forever is just tomorrow  
Don't fall in love with me

Don't let the fire start  
If you should fall  
I'm afraid I'll follow you  
Now I'm on the other side of love  
Lookin' right at you  
There you are so young and sure  
Your life has room enough for two  
So it's up to me to try and say  
Words that didn't stop me yesterday

[Chorus]
