

# Barry Manilow, Friends

Now you got to have friends  
You know the feelings all so strong  
You got to have friends  
To make that day last long  
I have me some friends but now there gone  
Somethink came and took them away  
And from the dusk until the dawn  
Here is where I'm goin to stay  
Hey well I'll stand right here at the end of the road  
And I'll wate for the new friends to come  
I don't care it I'm hungre or cold  
I got to get me some

Talkin about friends  
Miles and miles and miles of friends  
Lot and lots and lots of friends  
You got to have friends  
Talkin about friends  
Hey do you know what I mean  
Everybodys has got to have friends  
You got to have friends  
And some friends but there gone gone  
Something came and took 'em away  
And from the dusk til the dawn  
Here ,here is where I'll stay  
And I'm standing at the end of a long,long road  
And I'm wateing for my new friends to come  
I don't care if I'm hungre or frezzing cold  
I got to get me some of them  
Talking about friends  
You got to have friends  
You know you get yours  
I'll get mine  
I got to baby  
Talkin bout friends  
Miles and miles and miles of friends  
Lots and lots and lots of friends  
You got to have friends  
Talkin bout friends  
Miles and miles and miles and miles of friends  
Friend,friends,friends,friends,friends  
You got to have friends
