

# Barry Manilow, I Don't Wanna Know

How can you treat me so badly?  
I gave my heart to you gladly  
Don't try to explain  
You'll drive me insane

If you have to go  
Then go  
I want no more of your lyin'  
I don't wanna know  
Just go  
Hasn't there been enough cryin'  
Don't tell me why  
I  
Don't wanna know

Don't tell me how you'll love me forever  
Don't say that someday we'll be together  
Stop tryin' to be kind  
You were never really mind  
And every word you say  
Just drives me out of my mind

If you have to go  
Then go  
I want no more of your lyin'  
I don't wanna know  
Just go  
Hasn't there been enough cryin'  
Don't tell me why  
I  
Don't wanna know

How could I be so blind  
I thought we were doin' fine  
You never said a word  
Never gave me a sign

If you have to go  
Then go  
I want no more of your lyin'  
I don't wanna know  
Just go  
Hasn't there been enough cryin'  
Don't tell me why  
I  
Don't wanna know
