

# Barry Manilow, I'm Your Man

Don't have to look no more  
Here I am  
I'm your man  
I'm what you've waited for  
Here I am  
I'm your man  
You always said you like the way that I loved you before  
Get ready for me cause this time I'm gonna give you it all  
Cause I'm older and I'm wiser  
You can bet I'm goin' to surprise ya

Oh, you know I am  
I'm your man  
I'm your man yes I am

I was good then but now I'm even better  
Hey, look at me I've got it all together  
Come on and take my hand cause  
I'm your man  
I, I was afraid of love  
So I ran  
When I was your man  
I, I couldn't give enough  
But now I can  
Oh, I'm your man  
You always said that you saw something special in me  
Now I'm the man you always dreamed I would be  
Believe me  
I'm older and I'm wiser  
You can bet I'm goin' to surprise ya

Oh, you know I am  
I'm your man  
I'm your man yes I am

I was good then but now I'm even better  
Hey, look at me I've got it all together  
Come on and take my hand  
I'm your man  
I'm your man, yes I am  
You always said you like the way that I loved you before  
Get ready for me cause this time I'm goin to give you it all  
I'm older and I'm wiser  
You can bet I'm goin' to surprise ya

Oh, you know I am  
I'm your man  
I'm your man yes I am

I was good then but now I'm even better  
Hey, look at me I've got it all together  
Come on and take my hand

I'm your man  
I'm your man, yes I am  
I'm your man  
I'm your man  
Your man  
Your man  
I'm your man
