

# Barry Manilow, I Was A Fool (To Let You Go)

After I've had my last cigarette  
When the night is as black  
As the nights goin' to get  
Well I'm still wild awake  
Cause I still can't forget  
I was a fool, to let you go  
And after I've close the bar with the boys  
Though I can't stand the drinks  
And I can't stand the noise  
When I know I'll be back  
Cause their's no other choice  
I know I was a fool, to let you go

I was a fool, to think that I could sleep a wink  
In this big and deep bed by myself  
And I was a fool to wate ,until it was to late  
To tell you just how I felt

And after I've been with somebody new  
And she know's what to say  
Ah but not what to do  
Then I know what I've lost  
And I know it's so true  
No I was a fool, to let you go

And after I've been with somebody new  
And she knows what to say  
Ah but not what to do  
Then I know what I've lost  
And I know it's so true  
When I seen what It caused  
And what I'm going through  
I know I was a fool  
I was a fool to let you go
