

# Barry Manilow, On The Sunny Side Of The Street

Grab your coat  
Don't forget your hat  
We'll leave your worries  
Leave them on the doorstep  
My sweet  
Just direct your feet

To the sun, sunny side of the street  
Hop bop a doddle zag  
Pitter pat  
You know that happy tune  
Is my step  
Life's all weak  
If you dig that beat

On the sunny, sunny side of the street  
Used to walk in the shade  
With my blues on parade  
What a drag old man  
Getting stuck in the shade  
Get hit, don't be afraid  
Move it on over  
Feel yourself in the clover
