

Barry Manilow, Put A Quarter In The Jukebox

Barry:

She said she'd always love me
She said she'd never leave me
Then I wake up this mornin'
She's gone without warnin'

Ronnie:

I know what you've been through,pal
My woman left me too,pal
I'm drinkin' to what it used to be
Here's a toast the drinks to me

Both:

What this joint needs is some music,
someone...

Put a quarter in the jukebox
and we'll both forget about her
make the music louder someone...

Put a quarter in the jukebox
And we'll sing our cares away
Tomorrow is another day

Ronnie:

Another round on me,pal
I feel the same you see,pal
It's hard to face this endless day
I've gotta drink the hurt away

Both:

Hey,this joint needs some more music
someone...

Barry:

It feels just like a dream
We were such a winning team
Oh I'm sure it's true that love is blind
Cause leavin' never crossed my mind

Barry:

What'll I do with the nights now that
she's gone

Ronnie:

What'll I do when the nights go on
and on someone
