

# Barry Manilow, Strangers In The Night

Strangers in the night exchanging glances  
Wond'ring in the night  
What were the chances we'd be sharing love  
Before the night was through.  
Something in your eyes was so inviting,  
Something in you smile was so exciting,  
Something in my heart,  
Told me I must have you.

Strangers in the night, two lonely people  
We were strangers in the night  
Up to the moment  
When we said our first hello.  
Little did we know  
Love was just a glance away,  
A warm embracing dance away and  
Ever since that night we've been together.  
Lovers at first sight, in love forever.  
It turned out so right,  
For strangers in the night.

Love was just a glance away,  
A warm embracing dance away and  
Ever since that night we've been together.  
Lovers at first sight, in love forever.  
It turned out so right,  
For strangers in the night.  
For strangers in the night  
For strangers in the night
