

# Barry Manilow, The Best Of Me

## THE BEST OF ME

No one will ever touch me more  
And I only hope that in return  
I might have saved the best of me for you

So many years gone  
With love that was wrong  
I can't forget the way it used to be  
And how you changed the taste of love for me

You were my one more chance  
I never thought I'd find  
You were the one romance  
I've always know in my mind  
No one will ever touch me more  
And I only hope that in return  
I might have saved the best of me for you.

And we'll have no ending  
If we can hold on  
I think I've come this far because of you  
Could be no other love but ours will do

You were my one more chance  
I never thought I'd find  
You were the one romance  
I've always know in my mind  
No one will ever touch me more  
And I only hope that in return  
I might have saved the best of me for you.

You were my one more chance  
I never thought I'd find  
You were the one romance  
I've always know in my mind  
No one will ever touch me more  
And I only hope that in return  
No matter how much we have to learn  
I saved the best of me for you  
I saved the best of me for you
