

# Barry Manilow, This Can't Be Real

[Olivia:]

This can't be real  
As long as I love you  
How could this ever be real  
As long as you're there?  
Help me to feel  
The nightmare's behind me  
That your love will find me  
Anywhere

[Barry:]

Love is what's true  
The rest is illusion  
What I've discovered with you  
No one can steal

[Both:]

The truth isn't what it seems  
The truth is our wildest dreams  
Real was your kiss  
But as for this  
This can't be real

[Barry:]

This can't be real  
So why do I love you  
I know that this can't be real  
Still you are there  
You aren't real  
But somehow you've found me  
To haunt and surround me  
You're everywhere

[Both:]

This isn't true  
It's only illusion  
What I've discovered with you  
Is just an ideal

[Barry:]

This must be a dream, I know  
So why do I want you so?  
Is it because

[Olivia:]

Only because  
This can't be real?

[Barry:]

This can't be real

[Both:]

Love is what's true  
The rest is illusion  
What I've discovered with you

[Olivia:]

No one can steal

[Barry:]

No one can steal

[Both:]

The truth isn't what it seems

The truth is our wildest dreams

[Barry:]

This must be a dream, I know

[Olivia:]

So why do I want you so?

Real was your kiss

[Barry:]

Is it because

[Olivia:]

Oh, but as for this

[Barry:]

Only because

[Both:]

This can't be real

This can't be real

This can't be real
