

Barry Manilow, Tryin' To Get The Feeling Again

Doctor, my woman is comin' back home late today
Coudja maybe give me somethin' ?
'cause the feeling is gone and I must get it back right away
Before she sees that

That I've been up, down, tryin' to get the feelin again
All around, tryin' to get the feelin again
The one that made me shiver
Made my knees start to quiver
Every time she walked in

And I've looked high, low
Everywhere I possibly can
But there's no, tryin' to get the feelin' again
It seemed to disappear as fast as it came

Where did it run to? I thought I'd done all that I could
Just to keep the love light burnin'
But whatever I've done, I guess I just haven't done it too good
'cause all that's left is

I've been up, down, tryin' to get the feelin' again
All around, tryin' to get the feelin' again
The one that made me shiver, made my knees start to quiver
Every time she walked in

And I've looked high and low
And everywhere I possibly can
But there's no tryin' to get the feelin' again
It seemed to disappear as fast as it came

And I've been lookin', I've been lookin', I've been lookin'
I've been up , I've been down, and tryin' to get the feelin'
I've been up, I've been down, I've been tryin' to get
I've tried and I've tried and I've tried to get the feelin'
I've been trying to get the feelin' again
I want to get that feelin'
I want to get that feelin'
I've got to get that feelin'
I've gotta get that feelin' again
And again and again
Tryin' to get the feelin'
I've been tryin' to get the feelin' again!!!
