

# Barry Manilow, We've Got Tonite

I know it's late  
I know you're weary  
I know your plans don't include me  
Still here we are  
Both of us lonely  
Longing for shelter  
From all that we see  
Why should we worry  
No one'll care  
Look at the stars  
So far away

We've got tonight  
Who needs tomorrow  
We've got tonight babe  
Why don't you stay  
Deep in my soul  
I've been so lonely  
All of my hopes  
Fading away  
I've long for love  
Like everyone else does  
But I may stop searching  
After today  
So there it is, girl  
I've said it all now  
And here we are  
What do you say

We've got tonight  
Who needs tomorrow  
We've got tonight babe  
Why don't you stay  
I know it's late  
I know you're weary  
I know your plans don't include me  
Still here we are  
Both of us lonely  
Both of us lonely

We got tonight  
Who needs tomorrow  
Let's make it last  
Let's find away  
Turn out the light  
Come take my hand now  
We got tonight babe  
Why don't you stay
