

# Barry Manilow, Where Are They Now

Outside the sky is water color grey  
Newspaper says to look for rain today  
No one around for company  
And so I turn to memories to pass the time away  
Each face that flashes back to mind  
Seems as it was untouched by time  
I can't recall quite all the names  
Each one is precious all the same  
How strange to think  
How many friends were lost somewhere behind

[Chorus:]

Where are they now  
How I miss those companions  
Who walked the canyons of the night  
By my side  
Where are they now  
Like so many crazy dancers  
We live only for the answers in a song  
But that was long ago  
Where are they now  
When love was new and wonderful  
There was no word impossible  
The future we saw with our minds  
Was something of our hearts design  
Between today and yesterday  
Life came between us all

[Chorus 2x]

Where are they now
