

# Barry Manilow, Where Do I Go From Here

Autumn days  
Lying on a bed of leaves  
Watching clouds up through the trees  
You said our love was more than time

It's colder now, the trees are bare and the nights are long  
Can't get warm since you've been gone  
I can't stop singing sad songs

[Chorus:]  
Where do I go from here  
Tell me where do I go from here  
You say you'd take me through the years  
So where do I go from here

Lovers plans, like falling leaves on windy days  
Flutter past and they fly away  
I thought I knew you all so well

And I need you now  
I need to feel you in the night  
I need your smile so warm and bright  
I wish my mind could let you go

[Chorus 2x]

You said that you'll take me though the years  
So where do I go from here
