

Barry Manilow, Where Do I Go From Here

Autumn days
Lying on a bed of leaves
Watching clouds up through the trees
You said our love was more than time

It's colder now, the trees are bare and the nights are long
Can't get warm since you've been gone
I can't stop singing sad songs

[Chorus:]
Where do I go from here
Tell me where do I go from here
You say you'd take me through the years
So where do I go from here

Lovers plans, like falling leaves on windy days
Flutter past and they fly away
I thought I knew you all so well

And I need you now
I need to feel you in the night
I need your smile so warm and bright
I wish my mind could let you go

[Chorus 2x]

You said that you'll take me though the years
So where do I go from here
