

Barry Manilow, You're Lookin' Hot Tonight

I don't believe my eyes - what have I seen?
Looking like you walked out of a magazine.
Oh
everyone's stopped and starin' at the door.
Go on
you know you've got it

Let 'em beg for more.□
Hey
you
you're lookin' hot tonight -
Do you wanna dance?
you know
you're lookin' hot tonight -
Give me half a chance.□
You know
you got everybody□
Waiting to see□

Who would be the lucky guy.
Hey
you

You're lookin' hot tonight -
Won't you give me a try?□
Won't you give me a try?□
Look at you

Looking like you just begun.□
Aren't you just□
The envy of everyone ?□

Until you give a sign. got it

Go on
you know you got it

Let 'em wait in line.

Hey
you
you're lookin' hot tonight - do you wanna dance ?
You're lookin' hot tonight
hey you
you're lookin' hot tonight

Hey you
you're lookin' hot tonight
hey you
you're looking hot tonight.
I can see you smiling at me
I know where you wanna be cause;
Hey
you
you're lookin' hot tonight - do you wanna dance? . . .
