

# Barry White, My First, My Last, My Everything

We got it together didn't we  
We definately got our thing together don't we baby  
Isn't that nice  
I mean really, when you really sit and think about it  
Isn't it really, really nice  
I could easily feel myself slipping more and more away to  
That simple world of my own  
Nobody but you and me  
We got it together baby

My first, my last, my everything  
And the answer, to all my dreams  
You're my sun, my moon, my guiding star  
My kind of wonderful, that's what you are

I Know there's only, only one like you  
There's no way, they could have made two  
You're, You're all im living for  
Your love i'll keep for ever more  
You're the first, you're the last, my everything

In you, I've found so many things  
A love so new only you, could bring

Can't see you if you, You'll make me feel this way  
You're like a first morning dew, on a brand new day

I see, so many ways that I, can love you  
'Till the day i die...

You're my reality, yet im lost in a dream  
you're the first, my last, my everything

{ instrumental }

I know there's only, only one like you  
There's no way, they could have made two  
Girl you're my reality, But i'm lost in a dream  
You're the first, you're the last, my everything
