

Bars And Melody, Waiting For The Sun

maybe i wasn't ready
and maybe you didn't know
in night time living my days were darker
but pain wouldn't show

after the rain I see clearly
even if you we lose it all
and I could get you looking at me now
I think I'm ready to fall

I don't know why
we're been holding so tight
life's been passing us by

tonight
I think we'll be alright
waiting for the sun
waiting for the sun
waiting for the sun

tonight
I think we'll be alright
waiting for the sun

waiting for the sun
waiting for the sun

tonight
I think we'll be alright
waiting for the sun
waiting for the sun
waiting for the sun

feel me breathing
in not living
pain stabs from the ceiling
in a moment
can you stay now
feel so below looking for a way out
you calling
in the morning
i open up my arms and you falling
if we stay here
we can't fake here

I don't know why
we're been holding so tight
life's been passing us by

tonight
I think we'll be alright
waiting for the sun
waiting for the sun
waiting for the sun

tonight
I think we'll be alright
waiting for the sun

waiting for the sun
waiting for the sun

tonight
I think we'll be alright

waiting for the sun
waiting for the sun
waiting for the sun
