

Basement Jaxx, I Want U

I don't know if I can give you anything to make you feel right
I can but try 'cos I can't stand the madness in my head
The whole night through
I've been thinking, I've been sinking
Lost on Mars, got no paddle
Not a super-catch, ain't no model
Hardly seem to count, I'm just an ordinary bod
Down di di...
I want u and everything you say just makes me want
U and every single day I just want
U in every single way and I just want
U and I'm just lost
I don't know if I can give you anything to make you feel right
I can but try 'cos I can't stand the madness in my head
The whole night through
I've been thinking, I've been sinking
Lost on Mars, got no paddle
Not a super-catch, ain't no model
Hardly seem to count, I'm just an ordinary bod
Down di di...
I want u and everything you say just makes me want
U and every single day I just want
U in every single way and I just want
U and I'm just lost
