I got you in my heart, I got you in my head  
Your magic it surrounds me  
I've got you in my heart, I got you in my head  
Let's make a rendezvous

Let's make a rendezvous  
Let's make a rendezvous

I got you in my heart, I got you in my head  
Your magic it surrounds me  
I've got you in my heart, I got you in my head  
Let's make a rendezvous
