

# Basement Jaxx, Run 4 Cover

Urgh, urgh, urgh, urgh  
Look at him  
Look at him  
That geezer  
That geezer  
What geezer?  
That geezer  
You see him, he's so dusty  
He's a M-I-N-G-E-R, minger, minger, minger, minger

Run 4 cover  
Run 4 cover  
Run 4 cover

When you see dem minging boys you better

Run 4 cover  
Run 4 cover  
Run 4 cover

When you see dem minging boys you better

Slut, slut, get outta my way  
Get back to the back of the queue 'cos your butters and blow  
Can't have my number so leave me alone  
'Cos you're wasted, wasted, wasted  
Need a face lift  
Pushing them pushing them mans to the side  
Pushing them pushing them mans to the side  
(repeat chorus)

10 time say  
La la la la la la la la la  
So you think you may have a chance one day  
But no way no way  
'Cos you're not my type and I don't like you, right  
So go away just go away  
Wow just seen me a guy  
That's so perfect  
Knows how to work it  
He's got that charm  
He took my arm  
Whispered in my ear things  
I long to hear  
But urgh, urgh, me must be tipsy  
How could me think that boy was sexy  
Turns out turns out he was the minger  
I was so shocked nearly turned into Thriller ah  
In such a rage  
Me had to tell that minger to move from me face  
But he never listen  
Still onna me case  
Onna me case in de place in de place  
(repeat chorus)

Follow, follow, follow, everywhere that me went  
Though me try hide, boy pick up me scent  
Run 4 cover a so me try  
But this boy was too quick too too sly  
Appearing shouting in my earring  
Nearly lost my hearing  
From his breath oh my oh my  
It nearly choked me to death  
His breath 'cos it was so stank

And I cannot deny it, had to tell him  
It stank  
I'm sorry Frank but we will never be  
So can you please stop pestering ME!  
(repeat chorus)

Galling galloing long about your business  
'Cos we don't wanna know 'cos you're ugly like so  
You're too galling galloing long  
You're too galling galloing long  
You're too galling galloing long about your business  
'Cos we don't wanna know 'cos you're ugly like so
