

Basshunter, Every Morning

There is one girl in my life that makes me love again,
as pritty as a girl could be, so beautiful.
And every morning she makes me a cup of coffee,
the smile on her face, im a man in love,
and she glourious.

There is one girl in my life that makes me love again,
As pritty as a girl could be, so beautiful.
And every morning i wake up and a think of you,
with a smile on my face, am a man in love,
and she glourious.

Oh baby I, want you to stay in my life.

Never say goodbye, even if you cry im still by your side.

Oh baby I, want you to stay in my life.

Never say goodbye, even if you cry im still by your side.

There is one girl in my life that makes me love again,
