

Basslovers United, I can't dance

I.

I'm a sexy girl, I'm a little pearl
Workin' in my club and listen to the dub
But boys watch out, I'm slowly getting out
I'm more than just a toy, listen to me boy
I can't dance with all your eyes
All your eyes on me
I can't dance with all your eyes
All your eyes on me
I can't dance
I can't, I can't
I can't dance with all your eyes
All your eyes on me
I can't dance with all your eyes
All your eyes on me
I can't dance
I can't, I can't
I can't dance with all your eyes
All your eyes on me
I can't dance with all your eyes
All your eyes on me
I can't dance
I can't dance
I can't dance
(We gonna make it!)
(Dance!)
(Bass, bass, bass, b-bass, bass!)
(Bass, bass, bass, B-Bass Lovers United!)

II.

Look into my eyes
Tell me no more lies
You like what you see
Do not stare at me
Please control your pride
'Cause it's my own life
Once I had fun
But now I want to run!
I can't dance with all your eyes
All your eyes on me
I can't dance with all your eyes
All your eyes on me
I can't dance
I can't dance
I can't dance
