

Bastille, Can't Fight This Feeling

I can't fight this feeling any longer
And yet I'm still afraid to let it flow
What started out as friendship, has grown stronger
I only wish I had the strength to let it show
I tell myself that I can't hold out forever
I said there is no reason for my fear
Cause I feel so secure when we're together
You give my life direction
You make everything so clear
And even as I wander
I'm keeping you in sight
You're a candle in the window
On a cold, dark winter's night
And I'm getting closer than I ever thought I might
And I can't fight this feeling anymore
I've forgotten what I started fighting for
It's time to bring this ship into the shore
And throw away the oars, forever
Cause I can't fight this feeling anymore
I've forgotten what I started fighting for
And if I have to crawl upon the floor
Come crushing through your door
Baby, I can't fight this feeling anymore
My life has been such a whirlwind since I saw you
I've been running round in circles in my mind
And it always seems that I'm following you, girl
Cause you take me to the places that alone I'd never find
And even as I wander I'm keeping you in sight
You're a candle in the window on a cold, dark winter's night
And I'm getting closer than I ever thought I might
And I can't fight this feeling anymore
I've forgotten what I started fighting for
It's time to bring this ship into the shore
And throw away the oars, forever
Cause I can't fight this feeling anymore
I've forgotten what I started fighting for
And if I have to crawl upon the floor
Come crushing through your door
Baby, I can't fight this feeling anymore.
