

Baumer, Do The Choo Choo

I think we should kiss
so i can see how long it takes
for me to know
nothing's ever right
and these easy goodbyes
make me want love so badly

oh this is what it feels like to move on
love is short, forgetting is so long
oh everything fell apart after all
plans are big but hearts are so small

I want to chase a train
get there as it leaves so it feels i'm late
chase it down the platform
our eyes will meet
and we'll both know
you can never leave
i'll never let you go

oh.....
