Christmas Album

Bells Of Christmas

The bells of christmas go ring-a-ling-ling

They toll for the savior and the peace he'll bring

And little children everywhere are caroling

'cause the presence of the lord makes their spirits sing

Oh oh oh oh

Bells of christmas

Bells are ringing

Oh oh oh oh

Bells of christmas

Children singing

The bells of notre dame cathedral will chime

And everywhere a princely peace

And there they light the candles up one at a time

For the ones they love at christmastime

Oh oh oh oh

Bells of christmas

Bells are ringing

Oh oh oh oh

Bells of christmas

Children singing

The omnipresent spirit of the world will sing

That christ is born

Oh oh oh

And people of the world are all rejoicing

For the baby jesus born in nazarene

The bells of christmas go ring-a-ling-ling

They toll for the savior and the peace he'll bring

And little children everywhere are caroling

'cause the presence of the lord makes their spirits sing

Oh oh oh oh

Bells of christmas

Bells are ringing

Oh oh oh oh

Bells of christmas

Children singing

Oh oh oh oh

Bells of christmas
