

Beach Boys, Feel Flows

Unfolding enveloping missiles of soul
Recall senses sadly
Mirage like soft blue like lanterns below
To light the way gladly
Whether whistling heaven's clouds disappear
Where the wind withers memory
Whether whiteness whisks soft shadows away
Feel flows (white puff glisteny shadowy flow)
Feel goes (black puff glisteny shadowy flow)
Unbending never ending tablets of time
Record all the yearning
Unfearing all appearing message divine
Eases the burning
Whether willing witness waits at my mind
Whether hope dampens memory
Whether wondrous will stands tall at my side
Feel flows (white puff glisteny shadowy flow)
Feel goes (black puff glisteny shadowy flow)
Encasing all embracing wreath of repose
Engulfs all the senses
Imposing, unclosing thoughts that compose
Retire the fences
Whether wholly heartened life fades away
Whether harps heal the memory
Whether wholly heartened life fades away
Whether wondrous will stands tall at my side
Whether whiteness whisks soft shadows away
Feel goes (White puff glisteny shadowy flow)
Feel flows (Black puff glisteny shadowy flow)
Feel goes (White puff glisteny shadowy flow)
Feelings to grow (White puff glisteny shadowy flow)
White puff glisteny shadowy flow
White puff glisteny shadowy flow
White puff glisteny shadowy flow
