This Whole World

I'm thinking about a-this whole world

Late at night i think about the love of this whole world

Lots of different people everywhere

And when i go anywhere i see love i see love i see love

When girls get mad at boys and go

Many times they're just putting on a show

But when they leave you wait alone

You are there like everywhere like everyone you see

Happy cause your living and your free

Now here comes another day for your love

(i'm thinking about a-this whole world)

(a-this whole world)

Love

Woo oo oo oo ooo ooo oo oo

(woo oo oo oo ooo ooo oo oo)

Aummmmm woow woowoo bop didit

Late at night i think about the love of this whole world

(this whole world)

Oomm dot dit it

Oomm dot dit it

Oomm dot dit it
