Beach House  
Devotion  
D.A.R.L.I.N.G.  
Where did you come from  
You're no stranger  
How I know  
you will return  
so I won't be sad  
D.A.R.-L.I.N.  
G - .....

In that harbor of a room  
you'll find your anchor soon  
in the parting of our ways  
may it never happen  
any way

In the highest blackened moon  
there'd be more life  
in the right shade of our  
sighs, Death!, be gone!  
D.A.R.-L.I-N.G.-.. ..

In that harbor of a room  
you'll find your anchor soon  
in the parting of our ways  
may it never happen  
anyway...

All of your charms  
couldn't keep you from...
