Beanie Siegel, Watch Your Bitches

Beanie Siegel Miscellaneous Watch Your Bitches

As far back as I can remember I always wanted to be was a gangster... (Watch your bitches!)

[Verse 1]

Hey yo I walks like a pimp, talks like a mack Spit lobster and shrimp, you could tell by the hat Gators and flavors, colors like now & Ditches, trips to Vegas

Jot down numbers on small pieces of paper

I got ya, skate, watch these bitches catch the vapors

Breaks down doe over a hoe? Spend my chips over a trick? I don't rock no masquino shit

I don't know know labeled me no trick

Biatch! You should pay me for dick

All I'm gone do is fuck you crazy

Bust a couple nuts, get lazy

Bust another nut, it's Swayze

Tell your ass don't page me, see you when I see you

You need doe for what? Wouldn't wanna be you Yeah I'm a break you off, after I stroke you off

When I break you off, biatch! That's when I broke you off

Tell your ass get lost

Only thing I'm gonna pay for, is to be the boss

Can't see me giving no skee's my cheese

Tell 'em like they tell Bean's, I got four seeds to feed

Till I fuck you and some change fall out of your ass (watch your bitches!)

Biatch! Ain't nothing changed, I'm all about the cash

[Chorus: repeat 2X]

Hey yo I walks like a pimp, talks like a mack Spit lobster and shrimp, you could tell by the hat

Gators and flavors, colors like now & amp; laters (watch your bitches!)

Leave you jelly like fishes Niggas watch your bitches

[Verse 2]

You know Mack pop fly bitch No Jonny Gill 'round my bitch

Bye Bye bitch

Fuck that red dress on, get a head step on

Speed on 'for you get peed on When I piss, I don't miss (Shit)

Get mad, scratch your ass, and get glad

'For I, scratch your ass and get Glad-bags

Throw your shit out on the trash

B-Mack, pimp-slash

Hustla, muthafucka!

But, back to the sript

When I'm twisted off that sip

You know my twist, Mack on that lick

On that super hero juice but could handle my cake

Quick to throw bags, zams, and cakes

Cocktails come banana and grape

Yellow and purple, everything mellow in your circle

Feeling like metal can't hurt you

Got that pro meth 'itch (Watch your bitches!)

Keep a hoe in check quick off that pro meth shit

[Chorus: repeat 2X]

Hey yo I walks like a pimp, talks like a mack Spit lobster and shrimp, you could tell by the hat Gators and flavors, colors like now & mp; laters (watch your bitches!) Leave you jelly like fishes Niggas watch your bitches

[Verse 3]
I don't gotta play games and chase a hoe
Spend cheese, say please, and lace a hoe
Man, all my bitches know to SUCK me off and hit the door
Especially if I hit before, They know the rutine,
Dick to jaw, I don't give a bitch shit but game
And spit that like Rudy Raymoore
Man my whole squad play on tours
That's all we do is play on whores
That's up to you if you pay for yours
I might let 'em run around in the apartment
Just don't steal shit or spill shit on the carpet

[Chorus: repeat 2X]
Hey yo I walks like a pimp, talks like a mack
Spit lobster and shrimp, you could tell by the hat
Gators and flavors, colors like now & mp; laters (watch your bitches!)
Leave you jelly like fishes
Niggas watch your bitches
