That'll clap police, that sling crack on the back of streets

Or twenty niggas on the back of blocks

That sling caps and rocks, who won't hesitate to clap the cops

Whether I, push the truck to pick up clucks

To get they feathers knocked off, then they get dropped off

From pickin up bitches, hittin switches

St lves to Ingbing I'ma do my thing, yo

[Verse 3]

All my playas who rock tan trees and chuck tails
Say fuck they PD's and duck jail
Rock wife beaters with the plaided shirts
Only top button buttoned, ready to buck somethin
You fuckin wit a gangsta rookie
Don't gangsta lookie
Shoot up your feet make you gangsta boogie
Shoot up your jeep if you gangsta look me
What you think this sweet? What you eat, nigga gangsta cookies?
Call state to the Staples Center
The four quake'll put staples in ya
Nigga zip up your stomach
Rip up your younguns, make you pay to get 'em
That's how we play to get 'em, never pay for pigeons
Whether I, push the truck to pick up clucks
To get they feathers knocked off, then they get dropped off
From pickin up bitches, hittin switches
St lves and Ingbing I'ma do my thing, yo

[HOOK 2X]
