

# Beanie Sigel, Rock The Mic

(Intro (Beanie Sigel): )

Ho!....Ho!....Ho!...

(Freeway)

Bounce

(Beanie Sigel)

Holla

(Freeway)

Bounce....bounce....bounce

(Beanie Sigel)

It's B Sige in the place with Young Free

And I got what it takes to rock the mic right yeah

Still watch what you say out your mouth

Cause 50 shots still will burn the club out

(Verse 1 (Freeway): )

I miss the hood when I'm travelin', get neck when I'm travelin',

chicks peck wood when I'm travelin'

Fuck a lex cause the click thick good in a caravan

Slide through your hood like a avalanche

Take a flick if you get a chance get that close

Fuck in a van cause I got that dough

Deal with me, enemies come sleep with me for breakfast

Guaranteed to eat this toast

I'm reckless, firestarter heat your folks

A starvin artist that a eat y'all tracks, so don't bring 'em around

I be around ricans vida loca

They got all the toastas don't need no gats

I got a six stashed leave 'em around

So I don't get left around haters around when I leave

In the winter rock short sleeves reason to pound

With the heat blastin, keep actin the heat blastin

Shut no marine shinin, marine fashion backin 'em down

Niggas 'gone keep hatin and my click 'gone keep grindin

Keep movin, lockin the town

(Chorus (Freeway): )

It's Freeway in the place to be see

And I got what it takes to rock the mic right yeah

Still watch what you say to me prick

Cause I got what it takes to duck the AK clip

(Beanie Sigel)

It's B Sige in the place with Young Free

And I got what it takes to rock the mic right yeah

Still watch what you say out your mouth

Cause 50 shots still will burn the club out, ho!!!

(Verse 2 (Beanie Sigel): )

It's Mack-daddy-young strappy

No he ain't the OG gangsta

Yes I is! come on don't test I kid

I firebomb cribs like Left Eye did

Notorious like that Bed Stuy kid, big or small you can get it

Damn raw like tryin to brawl a strong armored midget

I pull the 9 out my pocket I'm lyin

I pull the Mac out the closet start fryin

Will you cats try to block it stop tryin

Take that, get back, clap mine

You know, stay low, keep fryin, uh!

I put the led in they gat, the medal go clap

I lay cats flat on they back, stop fuckin with this radical cat

You fuck around and need a medical cat

The led a go clap, your head a go back

Uh, it's B Sige, in the place to be

With two seaters on the waist of me, who's facin me?

(Chorus (Beanie Sigel):)

It's B Sige in the place with Young Free

And I got what it takes to rock the mic right yeah

Still watch what you say out your mouth  
Cause 50 shots still will burn the club out, ho!!!  
(Freeway)  
It's Freeway in the place to be see  
And I got what it takes to rock the mic right yeah  
Still watch what you say to me prick  
Cause I got what it takes to duck the AK clip  
(Verse 3 (Freeway): )  
Red nickels down your way don't trip  
Get holded down your way got soldiers down your way  
Keep quiet down your way no lip  
All of y'all need to run yo'self  
Go get the burna nigga bang yo'self  
When I come through with they hammer make you lose yo' health  
And, boulder dashes move like Cassius Clay  
Move yay like caskets, there's a will there's a way  
Obey my thirst move yay through traffic  
Without Sprite, without Nike's  
I just do it bar break your basket  
Yeah you damn right, without ice  
I pull a playa honey card stuffed with baskets  
International post playas stuck with a adlib  
You don't wanna be hoe playas stuck in the hood  
Bend over backwards clown suckers on a backwoods  
(Chorus (Freeway): )  
It's Freeway in the place to be see  
And I got what it takes to rock the mic right yeah  
Still watch what you say to me prick  
Cause I got what it takes to duck the AK clip  
(Beanie Sigel)  
It's B Sige in the place with Young Free  
And I got what it takes to rock the mic right yeah  
Still watch what you say out your mouth  
Cause 50 shots still will burn the club out, ho!!!  
(Freeway)  
It's Freeway in the place to be see  
And I got what it takes to rock the mic right yeah  
Still watch what you say to me prick  
Cause I got what it takes to duck the AK clip  
(Beanie Sigel)  
It's B Sige in the place with Young Free  
And I got what it takes to rock the mic right yeah  
Still watch what you say out your mouth  
Cause 50 shots still will burn the club out, ho!!!  
(Outro (Freeway): )  
All of y'all need to run yo'self  
Go get the burna nigga bang yo'self  
All of y'all need to run yo'self  
Go get the burna nigga bang yo'self
