

# Beanie Sigel, Watch Your Bitches

As far back as I can remember I always wanted to be was a gangster...  
(Watch your bitches!)

[Verse 1]

Hey yo I walks like a pimp, talks like a mack  
Spit lobster and shrimp, you could tell by the hat  
Gators and flavors, colors like now & later  
Split champagne wishes to bitches, trips to Vegas  
Jot down numbers on small pieces of paper  
I got ya, skate, watch these bitches catch the vapors  
Breaks down doe over a hoe?  
Spend my chips over a trick?  
I don't rock no masquino shit  
I don't know know labeled me no trick  
Biatch! You should pay me for dick  
All I'm gone do is fuck you crazy  
Bust a couple nuts, get lazy  
Bust another nut, it's Swayze  
Tell your ass don't page me, see you when I see you  
You need doe for what? Wouldn't wanna be you  
Yeah I'm a break you off, after I stroke you off  
When I break you off, biatch! That's when I broke you off  
Tell your ass get lost  
Only thing I'm gonna pay for, is to be the boss  
Can't see me giving no skee's my cheese  
Tell 'em like they tell Bean's, I got four seeds to feed  
Till I fuck you and some change fall out of your ass (watch your bitches!)  
Biatch! Ain't nothing changed, I'm all about the cash

[Chorus: repeat 2X]

Hey yo I walks like a pimp, talks like a mack  
Spit lobster and shrimp, you could tell by the hat  
Gators and flavors, colors like now & later (watch your bitches!)  
Leave you jelly like fishes  
Niggas watch your bitches

[Verse 2]

You know Mack pop fly bitch  
No Jonny Gill 'round my bitch  
Bye Bye bitch  
Fuck that red dress on, get a head step on  
Speed on 'for you get peed on  
When I piss, I don't miss (Shit)  
Get mad, scratch your ass, and get glad  
'For I, scratch your ass and get Glad-bags  
Throw your shit out on the trash  
B-Mack, pimp-slash  
Hustla, muthafucka!  
But, back to the sript  
When I'm twisted off that sip  
You know my twist, Mack on that lick  
On that super hero juice but could handle my cake  
Quick to throw bags, zams, and cakes  
Cocktails come banana and grape  
Yellow and purple, everything mellow in your circle  
Feeling like metal can't hurt you  
Got that pro meth 'itch (Watch your bitches!)  
Keep a hoe in check quick off that pro meth shit

[Chorus: repeat 2X]

Hey yo I walks like a pimp, talks like a mack  
Spit lobster and shrimp, you could tell by the hat  
Gators and flavors, colors like now & later (watch your bitches!)  
Leave you jelly like fishes

Niggas watch your bitches

[Verse 3]

I don't gotta play games and chase a hoe  
Spend cheese, say please, and lace a hoe  
Man, all my bitches know to SUCK me off and hit the door  
Especially if I hit before, They know the routine,  
Dick to jaw, I don't give a bitch shit but game  
And spit that like Rudy Raymoore  
Man my whole squad play on tours  
That's all we do is play on whores  
That's up to you if you pay for yours  
I might let 'em run around in the apartment  
Just don't steal shit or spill shit on the carpet  
You know the address, apartment 3F  
Find you, fuck you, and flee, and my man Bleek next

[Chorus: repeat 2X]

Hey yo I walks like a pimp, talks like a mack  
Spit lobster and shrimp, you could tell by the hat  
Gators and flavors, colors like now & later (watch your bitches!)  
Leave you jelly like fishes  
Niggas watch your bitches
