

BEAST IN BLACK, To The Last Drop Of Blood

Sinking deep into a nameless nightmare
Shrouded in eldritch mystery
Hostile age governed by twisted angels
My thousand-year-long enemies

Don the armor, settle the score
Hyper violent, human no more
Manifesting utterly boundless force
To the last drop of blood
Battle prowess, way of the sword
Second to none, never conformed
Gallop Death, ultimate King of War
To the last drop of blood

Consumed by the arcane black steel of madness
Ageless skull and hate prevail
Eyes like torches glow with divination
Like a fearless hellwind I assail

Don the armor, settle the score
Hyper violent, human no more
Manifesting utterly boundless force
To the last drop of blood
Battle prowess, way of the sword
Second to none, never conformed
Gallop Death, ultimate King of War
To the last drop of blood

Don the armor, settle the score
Hyper violent, human no more
Manifesting utterly boundless force
To the last drop of blood
Battle prowess, way of the sword
Second to none, never conformed
Gallop Death, ultimate King of War
To the last drop, last drop of blood
