BEAST IN BLACK, To The Last Drop Of Blood

Sinking deep into a nameless nightmare Shrouded in eldritch mystery Hostile age governed by twisted angels My thousand-year-long enemies

Don the armor, settle the score Hyper violent, human no more Manifesting utterly boundless force To the last drop of blood Battle prowess, way of the sword Second to none, never conformed Galloping Death, ultimate King of War To the last drop of blood

Consumed by the arcane black steel of madness Ageless skull and hate prevail Eyes like torches glow with divination Like a fearless hellwind I assail

Don the armor, settle the score Hyper violent, human no more Manifesting utterly boundless force To the last drop of blood Battle prowess, way of the sword Second to none, never conformed Galloping Death, ultimate King of War To the last drop of blood

Don the armor, settle the score Hyper violent, human no more Manifesting utterly boundless force To the last drop of blood Battle prowess, way of the sword Second to none, never conformed Galloping Death, ultimate King of War To the last drop, last drop of blood
