

# Beastie Boys, Brass Monkey

Brass Monkey - that funky Monkey  
Brass Monkey junkie  
That funky Monkey

Got this dance that's more than real  
Drink Brass Monkey here's how you feel  
Put your left leg down your right leg up  
Tilt your head back let's finish the cup  
M.C.A. with the bottle D. rocks the can  
Adrock gets nice with Charlie Chan  
We're offered Moet we don't mind Chivas  
Wherever we go with bring the Monkey with us  
Adrock drinks three Mike D. is D.  
Double R. foots the bill most definitely  
I drink Brass Monkey and I rock well  
I got a Castle in Brooklyn that's where I dwell

[repeat chorus]

Cause I drink it anytime and anyplace  
When it's time to get ill I pour it on my face  
Monkey tastes Def when you pour it on ice  
Come on y'all it's time to get nice  
Coolin' by the lockers getting kind of funky  
Me and the crew we're drinking Brass Monkey  
This girl walked by she gave me the eye  
I reached in the locker grabbed the Spanish Fly  
I put it with the Monkey mixed it in the cup  
Went over to the girl, "Yo baby, what's up?"  
I offered her a sip the girl she gave me lip  
It did begin the stuff wore in and now she's on my tip

[repeat chorus]

Step up to the bar put the girl down  
She takes a big gulp and slaps it around  
Take a sip - you can do it - you get right to it  
We had a case in the place and we went right through it  
You got a dry Martini thinking you're cool  
I'll take your place at the bar I smack you off your stool  
I'll down a '40 dog" in a single gulp  
And if you got beef you'll get beat to a pulp  
Monkey and parties and reelin' and rockin'  
Def, def - girls, girls - all y'all jockin'  
The song and dance keeping you in a trance  
If you don't buy my record I got my advance  
I drink it - I think it - I see it - I be it  
I love Brass Monkey but I won't give D. it  
We got the bottle you got the cup  
Come on everybody let's get fffff

[repeat chorus]
