

Beastie Boys, Egg Raid On Mojo

Egg raid on Mojo
Egg raid on Mojo
Egg raid on Mojo
Egg raid on Mojo

We dressed all in black
We snuck up around the back
We began to attack
The eggs did crack on Mojo's back go

Egg raid on Mojo
Egg raid on Mojo
Egg raid on Mojo
Egg raid on Mojo

Don't scream, gonna fight, let's have an egg raid tonight
Don't scream, gonna fight, let's have an egg raid tonight

Egg raid, gonna' die, beat up Mojo, all the time
