Heart Attack Man (beastie Boys/smith)

Drink a six pack and then you play som ball

Walking down the stairs and then he starts to fall

Add on two joints and then he starts to sweat

Two hundred seventy five pundts that you can't forget

Heart attack, heart attack man

Spend all your money on your health insurance plan

Heart attack, heart attack man

Keep on getting bigger because you know that you can

Why do you force yourself on top of that girl

Laugh with all your buddies because it's a man's man's world

Someday that shit will come back to you

You've been throwing your weight around and

Your shit is through

Heart attack, heart attack man

Going nowhere, got no master plan

Heart attack, heart attack man

Heart attack

Weighs in at two seventy five

Yeh my man is lucky to be alive

Smokin' and drinkin' too

My man the heart attack man is gonna be running over you

Got no god damn respect

Had to put the big big bitch-ass in check

Heart attack, heart attack man

Lungs full of tar and a stomach full of spam

Heart attack, heart attack man

Time to change your ways heart attack man

What do we know about partying or anything else?
