## Beastie Boys, Slow Ride

They got a committee to get me off the block 'Cause I say my rhymes loud and I say 'em nonstop Because being bad news is what we're all about We went to White Castle and we got thrown out I got my boy Mike D. - I got the King Adrock I got the jammy with the ammo inside my sock I shot homeboy but the bullet was a dud So I reached in the Miller cooler - grabbed a cool Bud Slow riding, gun hidin' on the go I'm fly like an eagle and I drink Old Crow I'm the king of the classroom - coolin' in the back My teacher had beef so I gave her a smack She chased me out of class 0 she was strapped with a ruler Went to the bathroom - rolled myself a wooler With bottle in hand at the microphone stand A. yo homeboy - what you drinkin' man

I got money - I got juice
I got to the party and I got loose
I got rhythm - I got rhymes
I got the girlies with the Def behinds
I got ill - I got busted
I got dust and I got dusted
I got gold - I got funky
I got the new dance - they call the Brass Monkey

Because I'm hard hittin' - always biten - cool as hell I got trees on my mirror so my car won't smell Sittin' around the house - gettin' high and watchin' tube Eating Colonel's chicken - drinkin' Heineken brew I'm a gangster, I'm a prankster - I'm the king of the Ave. I'm hated, confrontated for the juice that I have All the fly ladies are making a fuss But I can't pay attention - 'cause I'm on that dust
