

Beat Crusaders, Be my wife

Be my wife be my life
be my bride
My brightest hope
Be my wife be my life
be my bride
My brightest hope
Please obey
'cos I just can't wait
the spring time of my life
Please don't stray
And I got to get you
Turning around, my love
Be my wife be my life
be my bride
My brightest hope
Be my wife be my life
be my bride
My brightest hope
Please obey
'cos I just can't wait
the spring time of my life
Please don't stray
And I got to get you
Turning around, today!
