

Beat Crusaders, I Wanna Go To The Disko

I wanna go to the disko
Want you have fun
I wanna go to the disko
It's alright with me
Wow

I wanna go to the disko
Want you have fun
Why not trust in me? oh girl!
It's alright with me
Wow

Let me dance in a moment
There is something left to blind you
Let me trance in a moment
There is something left to blind you
(Wait for another calls)

Wait for the sun
Alone in a dawn
(All night long)
Wait for the sun
Alone in a dawn
(All night long)
Wow
