

# Beat Happening, Hot Chocolate Boy

He's always waiting  
Gotta make a move to tell her  
Hot chocolate boy  
He's never had one  
Hot chocolate bad one  
Hot chocolate boy

Walk by at midnight  
Thinking he could maybe see her  
Hot chocolate boy  
He's never met one  
Hot chocolate wet one  
Hot chocolate boy (x4)

Every girl yelling  
Wanting him to be the terror  
Hot chocolate boy  
He's a sensation  
Hot chocolate nation  
Hot chocolate boy

Hot chocolate boy  
Watching TV  
And watching how TV has nobody and no one at all  
Deep sweet and bitter  
Spoon in and a place for breakfast  
Hot chocolate boy  
Hot frost and creamy  
He was only dreamy  
Hot chocolate boy (x6)
