

Beat Happening, Red Head Walking

There are silver dressed darlings
And ramen mein delights
When she gets all fired up
She beats them in the night

That red head walking
That red head walking
Red head walking

You get too close
She'll warn you with her growl
She's a fog cuttin'
Scarlet struttin'
Leather-chested gal

That red head walking
Red head walking
Red head walking
Red head walking

Better listen keep your distance from that crimson crime or path

Kiss that girl
Kiss that girl
Kiss that girl

She'll cut your heart like diamonds
End of story
You bet you're gonna lose it to that hellbound crimson glory

That red head walking
Red head walking
Red head walking

Heed what this wise man says
Keep away from red heads.
