Hey Bulldog (lennon/mccartney)

Sheepdog

Standing in the rain,

Bullfrog

Doing it again

Some think that happiness is measured out in years

You don't know what it's like to listen to your fears

Child-like

No one understands,

Jack knife

In your sweaty hands,

Some think that happiness is measured out in miles

What makes you think you're something special when you smile

You can talk to me, if you're lonely you can talk to me

Big man

Walking in the park

Whigwam

Frightened of the dark

Some think that happiness is measured out in you

You think you know me but you haven't got a clue

You can talk to me, if you're lonely you can talk to me
