Lead Vocal: John Lennon

Well you call me your baby

When you hold in my hand

But the way that you hurt me

I just don't understand

Well you say that you need me

Like an ocean needs sand

But the way you deceive me

I just don't understand

Well you know that I love you

More than anyone can

But a one-sided love

I just don't understand

Well you know that I love you

More than anyone can

But a one-sided love

I just don't understand

Well you call me your baby

When you hold in my hand

Oh how you can hurt me

I just don't understand
