Well, she was just 17

You know what I mean

And the way she looked was way beyond compare

So how could I dance with another (Ooh)

Since I saw her standing there, yeah

Well she looked at me, and I, I could see

That before too long I'd fall in love with her

She wouldn't dance with another (Whooh)

Since I saw her standing there

Well, my heart went "boom"

When I crossed that room

And I held her hand in mine...

Whoah, we danced through the night

And we held each other tight

And before too long I fell in love with her

Now I'll never dance with another (Whooh)

Since I saw her standing there

Oh yeah!

Whoah, we danced through the night

Yeah we held each other tight

And before too long I fell in love with her

Now I'll never dance with another (Whooh)

Since I saw her standing there

Yeah since I saw her standing there

Yeah since I saw her standing there

Oh yeah! Oh yeah!
