I Will (lennon/mccartney)

Who knows how long i've loved you

You know i love you still

Will i wait a lonely lifetime

If you want me to--i will.

For if i ever saw you

I didn't catch your name

But it never really mattered

I will always feel the same.

Love you forever and forever

Love you with all my heart

Love you whenever we're together

Love you when we're apart.

And when at last i find you

Your song will fill the air

Sing it loud so i can hear you

Make it easy to be near you

For the things you do endear you to me

You know i will

I will.
