Who knows how long I've loved you, yeah  
You know I love you still  
Will I wait a lonely lifetime?  
If you want me to, I will  
You know if I ever saw you  
I didn't catch your name  
But it never really mattered  
I will always feel the same  
Love you forever and forever  
Love you with all my heart  
Love you whenever we're together  
Love you with all my heart  
And when at last I find you  
Your song will fill the air  
Will it loud so I can hear you?  
Make it easy to be near you  
For the things you do endear me to you  
Oh, you know I will  
I will
